

ADULT GROUP TOUR RESERVATION FORM

Thank you for planning a trip to the Dyckman Farmhouse Museum. Our guided tour lasts about one hour and concentrates on the building of the farmhouse, the Dyckman farm in the early nineteenth century and the making of the museum in 1916. If you have questions about what specifically we will present or if you are interested in a particular period of history please contact us. Kindly review the information below carefully, fill out the form and fax or mail it back to the farmhouse. We will then alert you to the scheduled tour date and time by way of a confirmation letter. We do require a deposit of \$20 per scheduled tour to be received three weeks prior to your visit. Your reservation is not set until we receive it. **We will try and schedule your first choice for a tour date and time — Please do not send a deposit until you have received a confirmation letter and invoice from us.**
