

Volunteer Application

As a small museum, Dyckman Farmhouse depends on the support of volunteers. Volunteers have a wonderful opportunity to explore the unique history of Manhattan's only Dutch colonial style farmhouse as well as enjoy a wonderful park in the midst of a bustling neighborhood. Share your love of history, gardening, education or public programming by joining our core group of volunteers.

Please fill out this application so that we can learn more about you and your interests. For more information about the history of the farmhouse, visit the website at www.dyckmanfarmhouse.org

Time Commitment: This will depend on the specific area in which you will be volunteering, but in general we would like volunteers to commit to a minimum of one day a month.
