

Support the Dyckman Farmhouse Museum!

As with any small historic house, we must constantly raise funds in order to preserve the site and keep it open for the public. Your donation, in any amount, is an enormous help in these efforts.

We hope you will consider becoming one of our founding members as we launch a new membership program to support the museum. Membership will allow you free admission and many other benefits – but more importantly you will know that your donation is directly supporting our work.
